BEGINS: 5/2/2018 EXPIRES: 5/1/2019

The following permits are granted for the disposal of Special Wastes at the sites shown below. The permits were issued based on the waste description information provided on the permit application. Any substantial change in the nature of the waste from that described in the permit application, will invalidate the permit. Failure to comply with the General Permit Conditions or special conditions described on this permit will invalidate the permit.

PERMIT NUMBER: 18-00762-30-04-00948

HAULER: HWHF0038 - URIBE REFUSE SERVICES INC

WASTE TYPE: 30 TREATED OR UNTREATED INFECTIOUS WASTE FROM OTHER THAN HOSPITALS

WASTE DESCRIPTION: MEDICAL WASTE; SHARPS

DISPOSAL SITE: 04 - Other

SPECIAL CONDITIONS: A. A COPY OF THE SPECIAL WASTE PERMIT SHALL ACCOMPANY ALL LOADS

B. ALL LOADS ARE SUBJECT TO INSPECTION.

C. ALL WASTE SHALL BE PROPERLY LABELED PRIOR TO TRANSPORT.

D. SHARPS SHALL BE PLACED IN RIGID, PUNCTURE PROOF CONTAINERS.

E. ALL WASTE SHALL BE CONTAINERIZED TO AVOID SPILLAGE AND CROSS CONTAMINATION.

F. WASTE TO BE AUTOCLAVED SHALL BE WRAPPED WITH BLACK-STRIPED, HEAT INDICATING, MARKER TAPE PRIOR TO TREATMENT.

G. AS PER NEBRASKA TITLE 128, SHARPS MUST BE AUTOCLAVED OR OTHERWISE TREATED PRIOR TO DISPOSAL.

H. IN NO CASE SHOULD BATTERIES, CHEMOTHERAPY WASTE, MEDICAL ITEMS CONTAINING MERCURY, BARIUM, OTHER HEAVY METALS, OR ANY OTHER HAZARDOUS WASTE ITEMS BE INCLUDED WITH YOUR INFECTIOUS WASTE.

If you have any questions or are interested in receiving information on other waste management and recycling options, please contact the Special Waste Program at 402-441-8002. Confidential, on-site technical assistance with waste reduction and regulatory compliance issues is available at no cost

THANK YOU FOR YOUR COOPERATION AND ASSISTANCE!
